

[Luxurae Hair Creative Braiding Techniques]

Detailed Description of Workshop *(include the elements sent in your confirmation email, along with the workshop format): THE FINAL LOOK CAN BE DONE ON THEMSELVES OR WITH A PARTNER.*

Objective(s) and/or Standards:

- **Student Learning Objectives:**
- Students will be guided through two pre-recorded video sessions on how to create two different styles that will lead into the final live video.
- Students will learn two different hair braiding techniques (three strand braid/ Fish Tail).
- Students will learn how to apply each style in a finished look.
- Accessories will be added to the finished look.
- Students will learn to preserve the styles.
- Have fun!
